

REMARKS

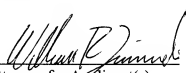

This preliminary amendment amends the claims and abstract, where appropriate, to correct minor informalities and to more properly comply with U.S. patent practice.

In the claims, claim 1 has been amended to more clearly present the method steps presented therein. Claims 1, 3, 10, and 12 have been amended to remove the reference numbers previously contained therein. Additionally, the originally presented abstract has been replaced by the new abstract presented herein.

It is respectfully submitted that, in view of the above amendments, this application is now in condition for allowance, prompt notice of which is earnestly solicited.

The Examiner is invited to call the undersigned in the event that a phone interview will expedite prosecution of this application towards allowance.

Respectfully submitted,

Attorney for Applicant(s)
